
how to get there from laoag

Posted by maansky - 2007/10/30 22:11

hi! this early on i am preparing for my trip to batanes which i hope will be soon...i was just wondering how to get there from laoag? i've read about chemtrad and laoag int'l airlines, are they still operating? i want to have some side travels kasi in ilocos before proceeding to batanes...hope you can help...:laugh:

I want to give a highlight to this thread. Are there any flights from Laoag to Basco?

I heard Chemtrad had, but I'm not sure. Mr/Ms InnKeeper, can you give us details about Chemtrad?
