## Wanting to go there :-)

Hi! I'm Peachy from Laguna. I really want to visit Batanes. I have browsed through the net and heard from friends that the place is really nice.

Anyway, I have noted some questions.

1. Is it okay if the visit will be during the rainy season like July?
2. What other airline aside from Asian Spirit offers trip to Batanes?

Hope to hear from you.

Thanks. :)
